OUR CUSTOMERS

We are the security integrator, forging partnerships with top-tier service providers and manufacturers to deliver elevated security solutions.

+ Security Systems

Empowering your security with seamlessly integrated systems supported by advanced detection layers, ensuring continuous protection of your facility's perimeter and all access points.

+ Access Controls

Delivering comprehensive access management solutions that empower you to effortlessly oversee entry points for all employees and visitors remotely.

+ Monitoring Services

Providing 24/7 protection through esteemed monitoring partners. Our offerings include seamless mobile app integration for real-time notification alerts and system control, along with leveraging virtual guard monitoring to complement on-site personnel to enhance overall security.

+ Fire and Life Safety Solutions

Ensuring compliance with local, state, and national standards through our comprehensive fire detection systems, emergency call stations, mass notifications, and round-the-clock monitoring.

+ Cameras

Enhancing your surveillance capabilities by modernizing legacy systems and implementing cutting-edge technologies such as license plate recognition, HD, infrared, radar, AI technology, and more.

WHY CHOOSE TSG?

We're a One-Stop Shop

Turn-key solutions, industry smarts, innovative capabilities, and a skilled workforce more than 800 strong, all under one roof.
